Technical Datasheet

AV.COPPER-13

HeroDry series

With 13 gauges knitting AV.COPPER-13 glove has been designed to be close fitting for maximum dexterity, making it ideal for the most tactile of applications. It is light and breathable which allows easy movement and continuous wear without irritation and offers high abrasion and cut resistance.

- Suitable for operations with high risk of cuts
- Close-fitting design for superior control and sensitivity

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
