Technical Datasheet

DEEP

HeroWet series

DEEP glove with 13 gauges knitting, smooth nitrile coating and a second layer of nitrile foam on the palm. Very durable and with excellent oil and abrasion resistance due to the dense smooth nitrile underlayer.

- Superior grip in wet or oily environments
- Enhanced durability and flexibility
- Breathability and comfort

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
