HeroStrong series

This premium MILITARY glove combines 18 gauges para-aramid fiber blended with steel yarn for superior cut, puncture, and abrasion resistance, with Thermoplastic Rubber (TPR) panels for impact protection on the back of the hand and fingers. The para-aramid fibers provide high-strength durability and heat resistance.

- Lightweight and flexible
- Steel yarn reinforcement and heat resistance
- TPR impact protection

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
