Technical Datasheet

OLIVE

HeroStrong series

This high-performance OLIVE glove is made from 18 gauges para-aramid fiber blended with steel yarn, offering exceptional cut and abrasion resistance while maintaining flexibility and comfort. The para-aramid fibers provide heat resistance and excellent durability.

- Tactile sensitivity
- Steel yarn reinforcement
- Heat resistance and high strength

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
