SPIDER

HeroStrong series

AV.SPIDER-15 FN gloves are designed to offer the ultimate level of dexterity for precision tasks due to the smooth nitrile palm coating and the 15 gauges knitting. Their composition of VHMWPE, without using steelfiber and glassfiber, makes them comfortable to use and very resistant to abrasion, cutting and tearing.

- High degree of abrasion and mechanical resistance
- Suitable for operations with high risk of cuts

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
