Technical Datasheet

THUNDER HeroCut series

THUNDER gloves, with 15 cm cuff, are designed to offer the ultimate level of dexterity for precision tasks due to the smooth nitrile palm coating and the 18 gauges knitting. Their composition of HPPE, Glass Fiber, Polyester and Spandex makes them comfortable to use and very resistant to abrasion, cutting and tearing.

- High degree of abrasion and mechanical resistance
- Suitable for operations with high risk of cuts

The product has been designed and manufactured to comply with Regulation (EU) 2016/425 and subsequent amendments.
